Welcome, brave adventurer!

Next >

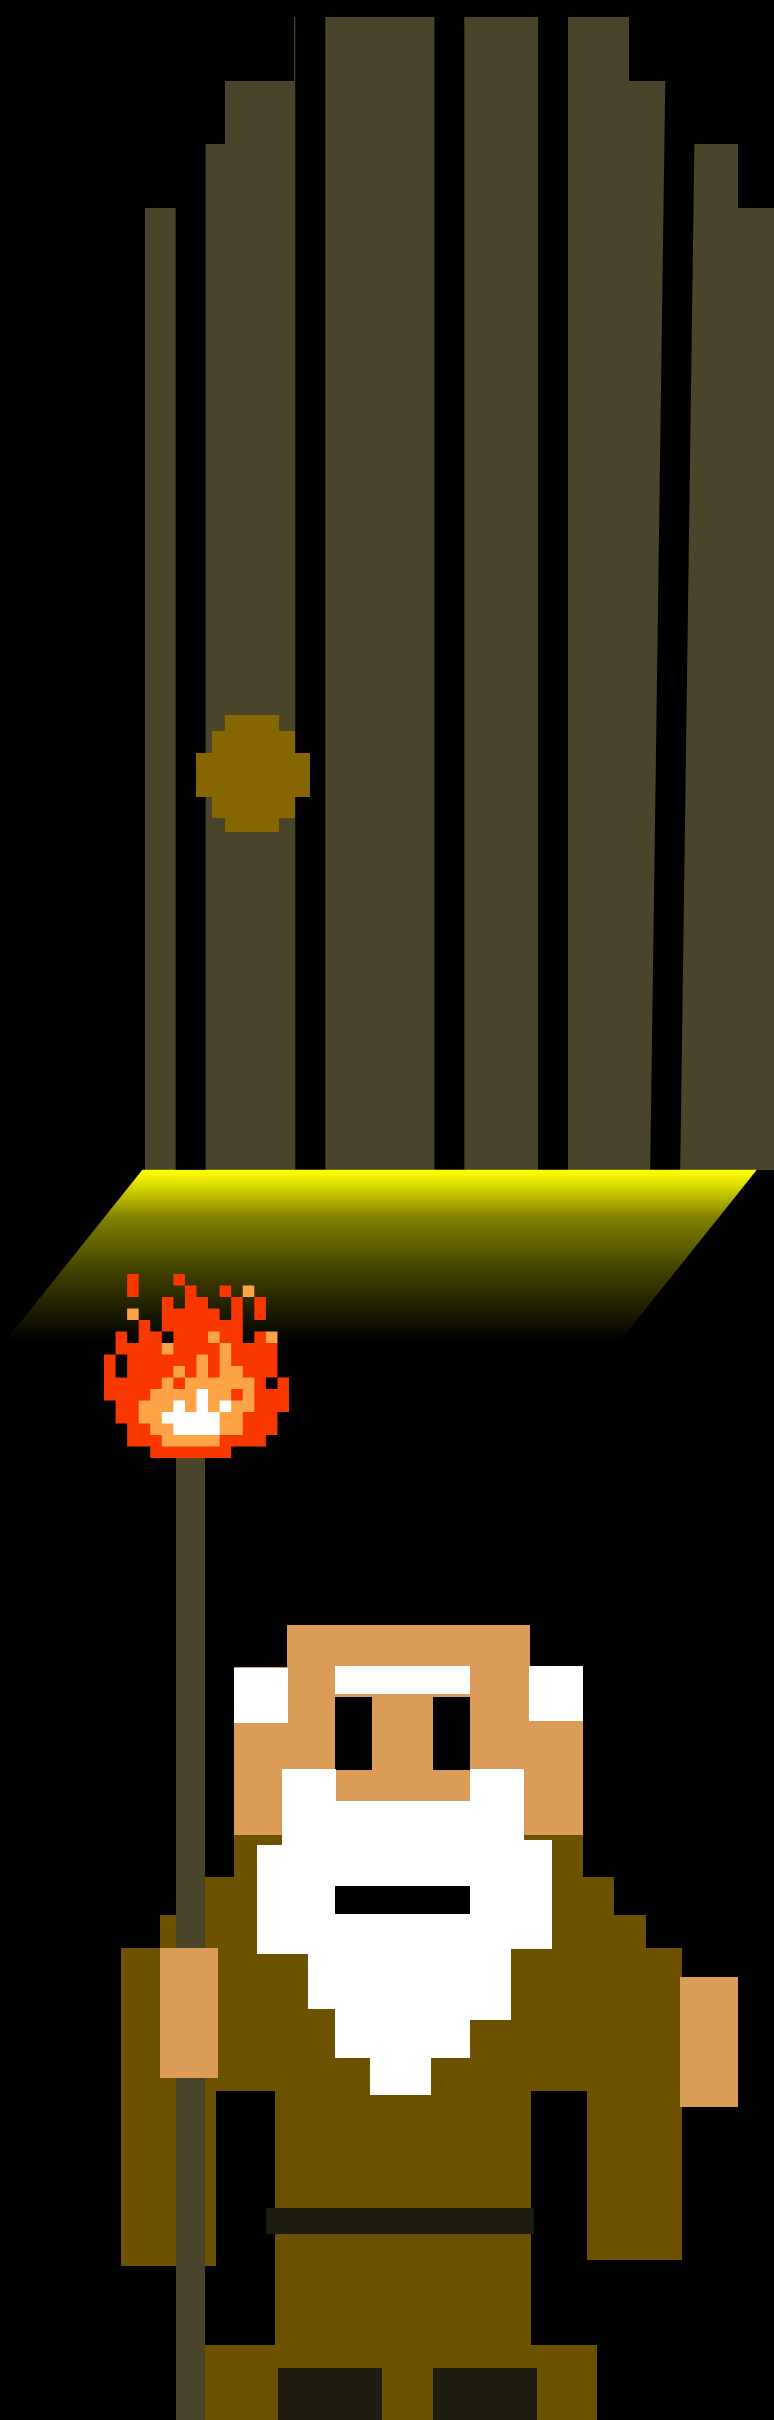

Before you may continue on to glory and fortune, you must answer some questions from this old wizard.

Next >

Be warned, if you answer any question incorrectly you will face a most grave punishment...

Next >

You will be sent back to the title screen!

"What ... is the airspeed velocity of an unladen swallow?"

I don't know -
AGHHHH

11 meters per second,
according to Google.

African or European
swallow?
